HOW TO FIND A GOOD ORCHESTRA INSTRUMENT – SEE ATTACHED LOCAL DEALERS

IF YOU ALREADY HAVE AN INSTRUMENT...

please bring it to class as soon as possible so Mrs. Needham can make sure it is in good repair and correct for your current height.

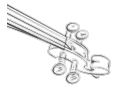

INSTRUMENT SET-UP AND REPAIR COSTS

Most students take excellent care of their instruments. It is rare for an instrument to need repairs. Here are some things you can do to avoid repair costs:

- ✓ Follow your orchestra teacher's guidelines for good instrument care (covered in class) and ASK if you have questions.
- ✓ Rent/purchase instruments only from stores that staff a luthier (repair-person).
- ✓ Only let your teacher or a certified luthier (repair-person) fix your instrument.

The prices below are for reference only. The repair shop will determine the actual cost.

“ORCHFAM” CONTRACT **SIGN, AND TURN IN BY FRIDAY, AUGUST 19TH**

I have received, read, and understand the policies, expectations, and responsibilities in the 2022-2023 Fairview Orchestra Handbook, including renting/purchasing an instrument, required accessories, the first day of instruments, and bringing my home instrument to all performances and field trips.

I understand that orchestra is a year-long course with required after-school events that can only be excused for illness or emergencies, unless pre-arranged in advance with Mrs. Needham. I have recorded our performance dates on our family calendar.

I commit to treating others and their property with kindness and respect, and to being a proactive part of the solution when it comes to keeping instruments in our rehearsal room safe.

I understand that clipped fingernails are a requirement for playing a string instrument.

I understand that I am responsible for the care, safety, and security of my instrument.

I understand that any damages to my instrument or someone else's instrument (including classroom instruments) caused by my poor choices or improper “repairs” are my family's financial responsibility. I promise to pay to repair or replace all such damages, to be completed by a trained and approved luthier (Your rental company, Reese Williams, or Rettig Music).
