COVID-19 Mitigation and a Commitment to In-Person Learning

January , 2022

Fairview Park City School District Positive COVID-19 cases August 30, 2021 - January 21, 2022

COVID-19 Mitigation Measures

- Masks required for all staff, students and visitors, and at indoor athletic competitions
- Upgrades to HVAC units in each building
- Additional cleaning protocols
- Close contact notifications and contact tracing
- Rapid COVID-19 test distribution

What Can Families Do?

- Vaccinations and Boosters
- Keep children home when they are sick or have symptoms
- Stress the importance of good hand hygiene and wearing a mask correctly

Updates on Intervention Plans And Continuous Improvement Efforts

Intervention Plans

- Track students that are struggling academically
- Teachers work in teams to identify students and to brainstorm high yield instructional strategies
- Use resources to address identified needs
- Provide professional development and use collaborative time

Intervention Plans

- Track students that are struggling academically
- Teachers work in teams to identify students and to brainstorm high yield instructional strategies
- Use resources to address identified needs

Draft School Calendars

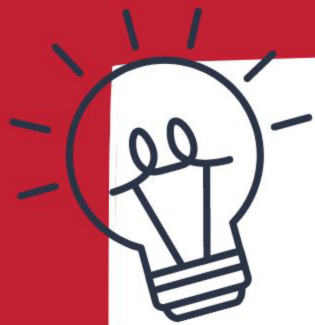

2022-2023
2023-2024

School Calendar

- Early start dates in August
- Reflective of the reality of learning losses and the need for early interventions
- Provides more instructional days before high stakes testing
- Aligned more closely with Polaris
